

The ES Golden Rules

We need your cooperation so that your child's first steps on snow can take place in the best conditions

Take some time in order to prepare this magic moment carefully.

You are in the mountains, so it is important for your child to have the right equipment, with warm clothes, depending on snow conditions and the weather

Sunglasses (4), IP 50 sunscreen, helmet, gloves and dry ski boots.

For the Snowgarden

Thank you for taking with you the personal card that you received at the office.

On your way, explain to your child why he/she is going to the snowgarden and how long he/she is going to stay

Describe the child's schedule and yours

Don't forget to take your child to the toilets before coming to the snowgarden.

When you arrive in the snowgarden

The instructor in charge will welcome you.

Introduce your child to the instructor he/she can refer to, if needed.

Give the instructor in charge all the important information regarding your child, so that we can meet his/her needs.

Don't forget to say «goodbye» to your child.

Don't try to leave unnoticed.

Tell your child what time you are going to pick him/her up and check that he/she has understood all information before you leave.

The lesson begins...

To avoid confusion, please leave the snowgarden as soon as you have said «goodbye» and only come back when it's time to pick up the child (be on time).

You have to inform the instructor in charge when you leave the snowgarden with your child.

And if ... ?

If your child is seriously upset when you leave, if he/she is not able to get interested or involved in our activities, the person in charge will call your mobile phone.

Children are sometimes taken to the nursery for a break.

Thank you for your cooperation.

We are looking forward to welcoming your child to our snowgarden.
